About CHC

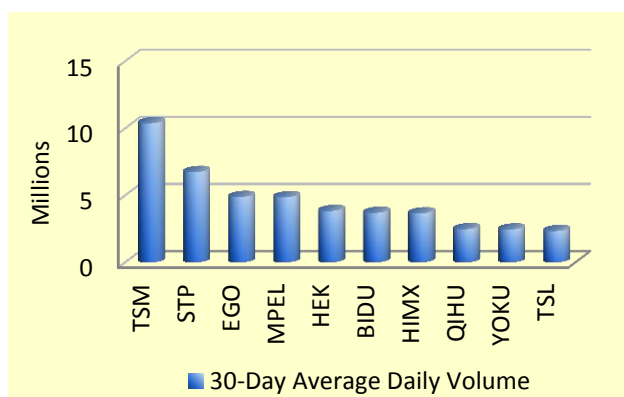

China Hydroelectric Corporation is a consolidator, operator and developer of small hydropower projects in the People's Republic of China. The Company owns 100% of 11 operating hydropower projects and has a controlling interest in another operating hydropower project. The projects are located in Zhejiang, Fujian, Yunnan and Sichuan. In addition, the Company expanded its operations through the acquisition, pending government approval, of development rights to a 1000 mega watt (MW) pumped storage hydropower plant in Henan province. The 1000 MW pumped storage hydropower plant in Henan province is a Greenfield project.
