About NWCN

Network CN Inc. provides out-of-home advertising services in the Peoples Republic of China. The company conducts its operations through Media Network segment. It operates an advertising network of roadside light emitting diode (LED) digital video panels, mega-size LED digital video billboards, and light boxes. The company also offers administrative and management, and technology and management consulting services. Network CN Inc. provides its services through the company's direct sales force, as well as through advertising agencies. The company was formerly known as Teda Travel Group Inc. and changed its name to Network CN Inc. in August 2006. Network CN Inc. is headquartered in Causeway Bay, Hong Kong.

About SCEI

Sino Clean Energy Inc., through its subsidiaries, operates as a third-party producer of coal heating and energy solutions in the Peoples Republic of China. The company produces and distributes coal water slurry fuel (CWSF), which is a liquid fuel consisting of fine coal particles suspended in water and mixed with chemical additives. Its CWSF products are primarily used to fuel boilers and furnaces to generate steam and heat for residential, commercial, and industrial applications. The company markets its CWSF through direct sales personnel primarily by entering into three to five year framework agreements with customers. Sino Clean Energy Inc. is headquartered in Xian, the Peoples Republic of China.

About KWBT

Kiwa Bio-Tech Products Group Corporation, together with its subsidiaries, develops, manufactures, distributes, and markets bio-technological products for agriculture markets primarily in China. It has technologies to produce and market bio-fertilizer products. The company was founded in 2002 and is based in Claremont, California.
