About MGH

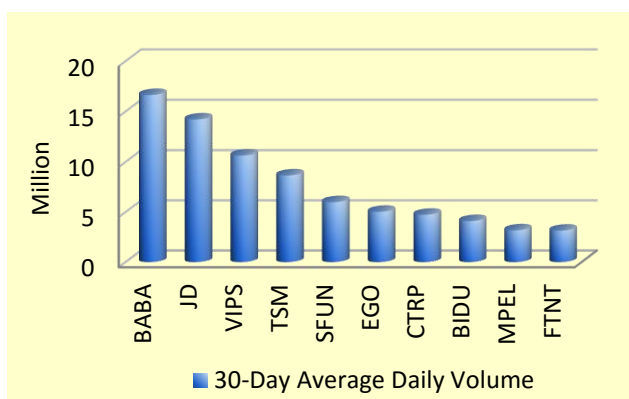

Minco Gold Corporation, an exploration stage company, is engaged in the exploration and evaluation of gold dominant mineral properties and projects in China. The company owns a 51% interest in the Changkeng gold project located to the southwest of Guangzhou. It also owns 100% interests in Longnan projects that has 10 exploration permits located at the southern part of Gansu province. The company was formerly known as Minco Mining & Metals Corporation and changed its name to Minco Gold Corporation in January 2007 to reflect its focus on gold projects.
