About CIIC

China Infrastructure Investment Corporation is engaged in the investment, construction, operation and management of the Pinglin Expressway toll road in the Province of Henan, People's Republic of China and the rental of petrol stations and service districts along the toll roads. The Pinglin Expressway is a part of the Nanluo Expressway, a national trunk in the expressway network in People's Republic of China. The Pinglin Expressway is a dual carriageway four lane expressway, the toll section of which is 106 kilometers in length. Toll revenue from the passing vehicles through the Expressway's six toll gates is the source of its earnings.
